

25 LIFE CHANGING LESSONS TO LEARN FROM RUMI  
for a more authentic, beautiful,  
loving and meaningful life

*“Study me as much as you like, you will never know me,  
for I differ in a hundred ways from what you see me to be.  
Put yourself in my position and see me as I see myself,  
for I have chosen to dwell in a place you cannot see.”  
Rumi*

**Jalāl ad-Dīn Muhammad Balkhī, also known as Rumi**, was a 13th-century Persian poet, jurist, theologian, and Sufi mystic who, in my personal opinion, wrote some of the most beautiful and most profound words that have ever been written. You won't believe how much wisdom and how much power there is in his words. It's incredible.

Today I would like to share with you 25 life-changing lessons to learn from Rumi, lessons that have the power to inspire and empower you to live a more authentic, beautiful, loving and meaningful life.

**1. Stop acting so small. You are the universe in ecstatic motion.**

“You were born with potential. You were born with goodness and trust. You were born with ideals and dreams. You were born with greatness. You were born with wings. You are not meant for crawling, so don't. You have wings. Learn to use them and fly.”

“You sit here for days saying, This is strange business. You're the strange business. You have the energy of the sun in you, but you keep it knotted up at the base of your spine. You're some weird kind of gold that wants to stay melted in the furnace, so you won't have to become coins.” ~ Rumi

“Why should I stay at the bottom of a well when a strong rope is in my hand?”

“Become the sky. Take an axe to the prison wall. Escape.”

“Do you know what you are? You are the manuscript of a divine letter. You are a mirror reflecting a noble face. This universe is not outside of you. Look inside yourself; everything that you want, you already are.”

**2. Your job is to live your life in a way that makes sense to you, not to “them”.**

“Start a huge, foolish project, like Noah...it makes absolutely no difference what people think of you.”

**3. Never give up on yourself.**

“When you go through a difficult period, when everything seems to oppose you, ... when you feel you cannot even bear one more minute, NEVER GIVE UP! Because it is the time and place that the course will divert!”

“Sorrow prepares you for joy. It violently sweeps everything out of your house, so that new joy can find space to enter. It shakes the yellow leaves from the bough of your heart, so that fresh, green leaves can grow in their place. It pulls up the rotten roots, so that new roots hidden beneath have room to grow. Whatever sorrow shakes from your heart, far better things will take their place.”

“Dance, when you’re broken open. Dance, when you’ve torn the bandage off. Dance in the middle of fighting. Dance in your blood. Dance when you’re perfectly free.”

**4. Ignorance is God’s prison.**

“Ignorance is God’s prison. Knowing is God’s palace.”

**5. The treasures that can be found outside you can’t ever compare with the treasures that can be found inside you.**

“You wander from room to room Hunting for the diamond necklace that is already around your neck!”

~ Rumi

“If you knew yourself for even one moment, if you could just glimpse your most beautiful face, maybe you wouldn’t slumber so deeply in that house of clay. Why not move into your house of joy and shine into every crevice! For you are the secret Treasure-bearer, and always have been. Didn’t you know?”

“Everything in the universe is within you. Ask all from yourself.”

“Why are you so enchanted by this world, when a mine of gold lies within you?”

“You go from village to village on your horse asking everyone, “Has anyone seen my horse?”

“There is a fountain inside you. Don’t walk around with an empty bucket.”

**6. When you let go of who you are, you become who you might be.**

“Knock, And He’ll open the door Vanish, And He’ll make you shine like the sun Fall, And He’ll raise you to the heavens Become nothing, And He’ll turn you into everything.”

“Set your life on fire. Seek those who fan your flames.”

“Be melting snow. Wash yourself of yourself.”

**7. There is something you can do better than anyone else.**

“Everyone has been made for some particular work, and the desire for that work has been put in every heart.”

“Be a lamp, or a lifeboat, or a ladder. Help someone’s soul heal. Walk out of your house like a shepherd.”

**8. You don't have to see the whole staircase, just take the first step.**

"As you start to walk out on the way, the way appears."

**9. When you commit to something, do it with all your heart.**

**17. We are made of Love and made to Love.**

“We are born of love; Love is our mother. “

“Your task is not to seek for love, but merely to seek and find all the barriers within yourself that you have built against it.”

“Through Love all that is bitter will be sweet, Through Love all that is copper will be gold, Through Love all dregs will become wine, through Love all pain will turn to medicine.”

“I have no companion but Love, no beginning, no end, no dawn. The Soul calls from within me: ‘You, ignorant of the way of Love, set Me free.’ “

“That which is false troubles the heart, but truth brings joyous tranquillity.”

**18. Your Soul is not of this world, your body is.**

“When I die, I shall soar with angels, and when I die to the angels, what I shall become you cannot imagine.”

**19. At the Soul level, we are all ONE.**
